Note: This text can be adapted for press releases, cases for support, and other campaign collateral.

Defy Gravity: The Campaign for the University of Toronto is the largest alumni engagement and fundraising effort in Canadian history. Harnessing the leadership, generosity, and compassion of U of T's worldwide community — including 640,000 alumni, 95,000 students, and 23,000 faculty and staff — the campaign will strengthen the University's commitment to inclusive excellence and accelerate its work on the biggest challenges facing the world.

The campaign theme, **Defy Gravity**, reflects U of T's long history of challenging the impossible to create a more caring and inclusive world through the ingenuity and resolve of its faculty, students, alumni, and supporters — critical today in addressing racial injustice, climate change, technological disruption, pandemic recovery, and more. The campaign will include, for the first time in U of T history, a goal for alumni engagement: to inspire 225,000 alumni to get involved as volunteers, mentors, donors, and leaders and encourage them to contribute their time and talent to the University one million times collectively. The campaign will also seek to raise \$4 billion for the University's highest priorities, including vital support for scholarships and bursaries that will open worlds of opportunity for students.

With remarkable strengths across a broad range of disciplines, U of T is one of the few institutions worldwide that can bring a comprehensive approach to solving complex social, economic, and health issues. By joining the campaign, our community will make U of T an even more powerful engine of progress and reinforce our commitment to excellence, equity, and inclusion, creating more opportunities and supportive spaces for talented people from every background and circumstance to come together and discover, learn, create, collaborate, and thrive.
